- Adjustable handlebar riser
- Explorer touring seat and knee pads
- Gunwale footrests
- LinQ® Multi Cargo Rack
- Rear Deck Extension with second LinQ attachment system
- LinQ Explorer Bag

● NEW Iceland Grey

FEATURE HIGHLIGHTS

Touring Windshield

An industry-first that reduces fatigue and noise associated with prolonged wind pressure whilst also protecting against splashing and salt water exposure when riding offshore.

Extended Riding Comfort

With extended riding duration in mind, the new Explorer Touring seat and knee pads, adjustable riser handlebars and gunwale footrests provide ultimate extended riding comfort.

LinQ Explorer Bag

Keep extra gear dry and easily accessible with this 100L bag. This exclusive LinQ compatible accessory is waterproof, functional and portable. It can be stacked on the LinQ plate/LinQ accessories or carried as a backpack.

Rotax® 1630 ACE™ – 170 Engine

The Rotax® 1630 ACE™ – 170 combines plenty of naturally aspirated power and economy, meaning the adventure can be exhilarating and prolonged.

ST3 Hull™

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Rear Deck Extension with second LinQ attachment system

Adds 11.5 inches to the back of the watercraft to increase stability, space, and storage capability.

NEW Racing Green

FEATURE HIGHLIGHTS

Carbon Fiber Styling

Full carbon fiber hood and mirrors combine with premium badging, decals and color scheme to provide a breathtaking appearance to match its impressive performance.

Apex Exclusive Features

The Apex only color scheme is complete with color matched hand grips, passenger seat and exclusive Apex branded vehicle cover.

Hydraulic Steering Damper and Redesigned Steering Column

An industry first, it redefines rider control by reducing input from the water, creating a solid and predictable feel that can be adjusted to rider preference. A reinforced steering column will withstand high performance stress.

Rotax® 1630 ACE™ – 300 Engine

The Rotax 1630 ACE – 300 is the most powerful Rotax engine ever, delivering high efficiency and best-in-class acceleration.

T3-R Hull™

A deep-V design that offers unrivaled handling and acceleration and a new level of control at high speed.

Ergolock™ R System

A narrow seat profile with deep knee pockets and a revolutionary adjustable saddle that allows riders to lock in to the machine like never before.

ENHANCE YOUR EXPERIENCES THANKS TO OUR NEW ACCESSORIES!

It's your Sea-Doo life! Make it unique and ride with style with Sea-Doo's original accessories and riding gear.

Scan and get more info!

Rear Deck Extension with LinQ

295101026

Extend the fun an extra 11.5 inches off the stern and make room for additional storage configurations. Includes six LinQ attachment points to allow for easy LinQ accessory installation and stowing out of the way when not in use. Three possible configurations: middle, left and/or right. Adds easier access to the water for swimming and watersports or more space for boarding, lounging, fishing and more.

LinQ Seat Bag

295101073

Even more storage systems, even more comfort. 20 L of UV-resistant storage. Smartly secures behind the passenger seat to maximize rear deck space. Installs in seconds with tool-less LinQ accessory System. Two-pocket primary organization compartments with three zippered openings. External side pocket for fast access to small necessities.

Touring Windshield

295101017

Stay protected from wind and splash from waves with this 23-inch (58 cm) windshield. Seamlessly integrated with thermoforming construction for crystal clear vision. Includes windshield support, bag and Allen wrench for easy transportation and installation.

SEA-DOO®

RESPONSIBLE RIDER

A BRP PROGRAM

Sea-Doo Responsible Rider Program

The Responsible Rider program is about being present when you ride and always considering safety, riding etiquette and the environment, whether you're out on the ocean, lake or river.

Safety

To stay safe on the water, riders should be aware of their surroundings, follow local laws and regulations, and always wear a life vest and neoprene shorts. Be sure to check the weather forecast before heading out.

Environment

As Sea-Doo riders, we respect the waterways. That means never riding too close to the shore or to swimmers, staying away from prohibited riding areas and being mindful of marine life.

Etiquette

Riding etiquette is all about making the waterways a safe space for all. That means reducing noise in residential areas, minding your speed, and not riding too close to swimmers or other boaters.

LIVE THE **SEA-DOO** LIFE

Sea-Doo Life

Rise before the sun, the water is calling... Calling on you to make waves. Life can wait, even if just for a second or two. Silence everything else and hear the sound of your freedom. Seek thrills, build skills, or just be still. Today's adventure is yours to build. Just hit the water with all your might. And leave a wake worth remembering. Make your own flow, only then can you go with it. It's time to grab life by the handlebars.

Steer with your heart and your gut will follow. Lead the way and never look back. The best days in life are on the water. And doing it all over again tomorrow, that's even better.

Around the world with Sea-Doo

We've been to places where you might not think to go and do things you wouldn't think of first. Watch the Sea-Doo Adventure series for a whole new take on the Sea-Doo Life.
