THE LINEUP

NEW FOR 2025

AN EXPERIENCE LIKE NO OTHER

Slingshot represents the ultimate expression of individuality and brings an element of fun and thrill every time you get behind the wheel.

ALL-NEW FRONT END STYLING

For 2025, Slingshot has a completely redesigned front end, putting style front and center for every model. As you move up the lineup, the style and fascia components develop to enhance the unparalleled designs of Slingshot.

For S models, the new front end has a clean style with novel fascia components and a textured finish.

For SL models, graphics are added to the textured front end to add a sportier feel while maintaining a clean look.

For SLR models, painted outer winglets, lower accent lights, and textured closeouts are added to better highlight the model's stand out style.

For R models, the front end gets the full style treatment. The front is fully painted and adds a lower splitter, complementing the edgy style of the Vented Sport Hood for a totally new, unique look.

IMPROVED DRIVABILITY

Under the hood enhancements give the 2025 lineup a sportier driving experience, a bump in horsepower, and a broader torque curve for a more visceral acceleration behind the wheel.

Shown with Upgrade Kit

ALL-NEW SPEAKERS

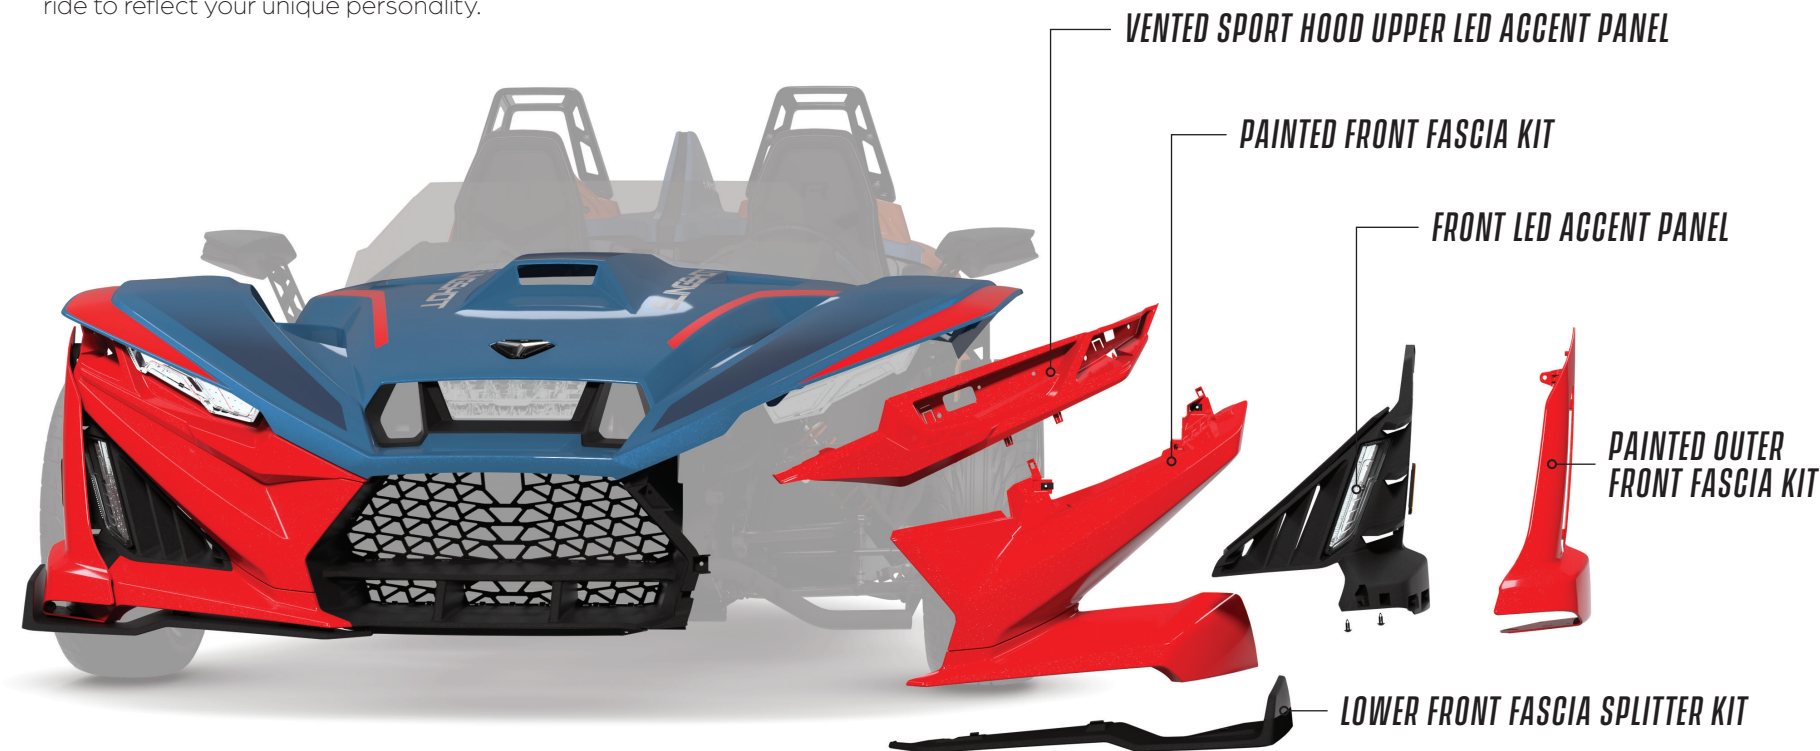

Be seen and heard with updated speakers for 2025.

The Slingshot SLR & R models come standard with the new Stage 2 Max Rockford Fosgate® speakers. Increased from a 6.5" to 8" size, the speakers leverage additional surface area to produce the most bass and volume you can get on a factory Slingshot.

Add the Upgrade Kit to Light-Ready Speakers for the ultimate level of audio and lighting. Designed to integrate seamlessly with your Slingshot, add this Upgrade Kit to your 8" speaker grilles to enjoy fully customizable, app-controlled lighting when paired with XKGlow® Premium Interior Lighting.

CUSTOMIZE YOUR SLINGSHOT

Enhance an already great ride by customizing it with color-matched accessories for the ultimate in style and personalization. Design your ride to reflect your unique personality.

The Polaris Slingshot Accessories website designates the accessories designed to fit a vehicle model/year. As a dealer, follow the website instructions to determine which accessories you can install on a specific vehicle. When adding accessories, equipment, passengers and luggage to a vehicle, do not exceed total weight capacity of the vehicle or of the front or rear axle (GVWR or GAWR as indicated on the Safety Compliance Certification Label). It is the dealer's responsibility to use the Polaris Slingshot Accessories website as a tool for limiting the amount of accessories, based on maximum allowable vehicle weight requirements. For a complete listing of the accessories that are available for your vehicle, please contact your authorized dealer or visit the online store web site: <https://slingshot.polaris.com>.

Slingshade: It may be a violation of the Clean Air Act or the NHTSA regulations to disregard these requirements. Due to the technical nature of this kit, Polaris insists that this installation be performed by a trained Slingshot technician. Always secure latches during operation. Failure to secure latches may result in unintended opening or release causing injury to others or damage to Slingshade. This top is not a safety device or roll cage. It is not intended to protect the occupants in the event of a rollover or other unforeseeable events. This top is not a roof and is not intended to haul cargo. NEVER attach, strap, or haul objects of any type or weight on this top. This top is not intended to contain or restrain the occupant or provide additional safety protection.

Many colors, accessories and other personalization options exist, but your selections are subject to availability and vehicle differences may be subtle, so your vehicle may not be, or may not appear to be, one-of-a-kind.

Slingshot is a three-wheeled motorcycle. It is not an automobile. It does not have airbags and it does not meet automotive safety standards. Three wheel vehicles may handle differently than other vehicles, especially in wet conditions. Always wear a DOT-approved full-face helmet and fasten seat belts. The driver may need a valid motorcycle endorsement. Drive within the limits of the law and your own abilities. Read, understand and follow your owner's manual. Never ride under the influence of drugs or alcohol. U.S. models shown with optional accessories. ©2025 Polaris Industries Inc. All rights reserved.
